I. VIRTUAL GENERAL MEETING WITHOUT PHYSICAL PRESENCE OF SHAREHOLDERS

1. COVID-19 Corporate Law Act (COVID-19-GesG) and COVID-19 Ordinance under company law (COVID-19-GesV)

The Executive Board has decided, in order to protect shareholders and other participants, to make use of the option of a virtual general meeting also for this extraordinary general meeting.

The general meeting of PIERER Mobility AG on **February 26, 2021** will be held as a "virtual general meeting" in accordance with the § 1 para. 2 COVID-19-GesG in the current version, taking into account the interests of both the company and the participants.

This means that the **shareholders and their representatives will not be able to be physically present** at the general meeting of PIERER Mobility AG on February 26, 2021, in order not to endanger the health of the participants. We expressly point out that it is not possible for shareholders to come to the venue of the general meeting themselves.

The general meeting will be held in the physical presence of the chairman of the Supervisory Board, the chairman of the Executive Board and other members of the Executive Board, the certifying notary and the four special proxies designated by the company at 5230 Mattighofen, KTM Platz 1.

The holding of the extraordinary general meeting as a virtual general meeting in accordance with the COVID-19-GesV leads to modifications in the otherwise usual course of the general meeting and in the exercise of shareholders' rights. Voting rights, the right to submit motions and the right to raise objections shall be exercised exclusively by granting power of attorney

and issuing instructions to one of the special proxies proposed by the company pursuant to § 3 para. 4 of the COVID 19-GesV.

The right to information may be exercised during the virtual general meeting by the shareholders themselves by way of electronic communication, exclusively in text form by e-mail directly to the e-mail address fragen.pierermobility@hauptversammlung.at.

2. Webcast of the General Meeting

Pursuant to § 3 para. 4 COVID-19-GesV in conjunction with § 102 para. 4 Austrian Stock Corporation Act, the general meeting will be broadcasted in full on the Internet in real time in audio and video form.

This is allowed under data protection law with regard to the legal basis of § 3 para. 4 COVID-19-GesV and § 102 para. 4 Austrian Stock Corporation Act.

All shareholders of the company will be able to follow the general meeting on **February 26, 2021** from around 11:00 a.m. using appropriate technical aids on the internet at www.pierermobility.com (under Investor Relations / General Meeting) as a virtual general meeting. No registration or login is required to follow the general meeting.

By broadcasting the general meeting on the Internet, all shareholders who so wish have the opportunity to follow the proceedings of the general meeting in real time through this acoustic and visual link and to follow the presentation by the Executive Board and the answers to shareholders' questions.

It is pointed out that this live transmission as a virtual general meeting does not enable remote participation (§ 102 para. 3 no. 2 Austrian Stock Corporation Act) and remote voting (§ 102 para. 3 no. 3 and § 126 Austrian Stock Corporation Act) and that the transmission on the Internet is not a two-way connection.

It is also pointed out that the company is only responsible for the use of technical means of communication to the extent that these are attributable to its sphere.

In addition, reference is made to the information on the organizational and technical requirements for participation pursuant to § 3 para. 3 in connection with § 2 para. 4 COVID-19-GesV ("**Participation Information**").
